ATTN: Chief, Real Estate & Construction Division/OL
: Chief, Space Maintenance & Facilities Branch

Chief, TSD/LS

Removal of Incinerator from Room 206, West Outbuilding.

1. It is requested that the Model 2 Air-Fed Incinerator now located in Room 206 West Outbuilding be disconnected and removed from the building. It should be held in the [redacted] pending determination as to a shipping destination-- either the West Coast [redacted]

2. When the incinerator has been removed from West Outbuilding the window through which its stack projects should be sealed closed, but the outside stack material and the wiring up to the junction box should be left in place for use in possible future installations of later models of incinerators.

3. The incinerator is being turned in to stock under FTI number 913-27-3117-61.

4. If there are any questions in connection with this operation, please contact [redacted] on extension [redacted] extension [redacted]
